Re: Application of South Carolina Electric & Gas Company
For Adjustments and Increases in its Electric Rate Schedules and Tariffs
DOCKET NO. ~~2007-229-E~~

Dear Ms. Boyd:

2009-489-E

Enclosed please find the original and ten copies of the Petition to Intervene of The Department of the Navy filed on behalf of the Navy and all Federal Executive Agencies.

The undersigned is in the process of obtaining a pro hac vice admission from the Supreme Court of South Carolina for the above-referenced proceeding. I am awaiting my Certificate of good standing from the D.C. bar, and once this is obtained, can proceed with the pro hac vice admission. Local counsel of record has been obtained. We respectfully request that our Petition be accepted pending the pro hac vice admission.

The FEA also respectfully requests special permission to have local counsel appear on the first day of the hearing to introduce Ms. Van Dyke, and then be excused, subject to being called back on short notice. Local counsel is another Navy attorney based in Charleston, and a member of the South Carolina bar. We would greatly appreciate the indulgence of the Commission in allowing the local counsel to return to his office after officially introducing Ms. Van Dyke on May 24. Ms. Van Dyke has appeared before this Commission in prior proceedings, in both 2005 and 2007. However, we are prepared to have the attorney stay for the entire proceeding should that be the preference of the Commission.
